Through its Equality and Diversity Policy and associated strategies, action plans and procedures, CHUMS will ensure that:

- Any person or group of persons applying for a job or a contract with us benefits from fair and equal treatment
- Every effort is made to identify the needs of under-represented and vulnerable people in our areas of work and will actively try to help them by making close relationships with representatives of such groups
- Every effort is made to recruit employees at all levels from under represented or minority groups. Where necessary CHUMS will provide training to help achieve this aim
- Its services are available to all children/young people using the criteria outlined for each service
- It uses data gathered in all surveys, to ensure that services are barrier-free to anyone eligible to access them
- When hiring contractors/consultancy staff and other agencies, we will be mindful of our commitment to equality and diversity of opportunity
- That there is regular review of the type and level of services provided to people from diverse backgrounds through regular monitoring and data reporting

CHUMS believes that everyone has the right to feel safe and is committed to ensuring that no employee, volunteer, service user or their family becomes a victim of any kind of discrimination or harassment.

- All forms of harassment, against or by an employee or service user will be dealt with promptly, firmly and sensitively
- No action will be taken without first consulting the person who has been harassed. Our commitment is to support and protect the victim
